information

Returning to Barcelona for an unmissable experience

Vitafoods Europe is where the global nutraceutical industry comes **together** — connecting suppliers, brands and decision-makers across the full supply chain.

What to expect in 2027

- A larger show floor with expanded exhibitor presence
- More international buyers and decision-makers
- Enhanced networking and matchmaking opportunities
- Continued innovation across ingredients, products and technology

✓ Bigger, better, and still in Barcelona

The largest and most comprehensive edition yet, hosted in one of Europe's leading nutraceutical hubs.

✓ Covering the full supply chain

From ingredients and raw materials to finished products, packaging and services — all in one place.

✓ Global platform, European focus

The flagship Vitafoods event, connecting the European market with a truly international audience.

✓ A fast-growing industry

Tap into a market projected to reach **\$919.1 billion by 2030**, driven by innovation and demand for health solutions.

✓ A world-class destination

Barcelona's strong infrastructure and connectivity make it easy to access for global attendees.
