Housekeeping

- Welcome to new or returning GOED Science Committee members
- Welcomed four new committee members (Francisco, Jolie, Laurel, and Monika)

Items for Group Discussion:

- Recap of the GOED Exchange. A few committee members highlighted the interesting panel discussion on EPA/DHA blood level testing.
- Interest in learning more about DPA (docosapentaenoic acid). Will stay on the lookout for publications on this fatty acid (and encourage others to do the same!)
- Theresa and Kaitlin to prepare an update and next steps for the Bioavailability working group (and share with the larger committee).
- Welcome Milena Banic from Stirling University. Research presentation on muscle health and EPA/DHA intake.

Action:

- Share any relevant scientific articles with Kaitlin / Theresa
- Brainstorm topics for group discussion throughout the year
