At least seven (7) calendar days' prior written notice shall be given by the Administrator to each Regular Director (and, in addition, to one alternate for each Regular Director who designates an alternate for purposes of notice) of each regular and special meeting of the Executive Committee.

Such notice may be given personally or by postal mail, by express mail, by courier, by facsimile machine, or by electronic mail. The notice shall be deemed delivered on the day it is personally delivered, or on the next business day if it is sent by express mail or by courier. If the notice is given by electronic message or by facsimile, it shall be deemed delivered on the next business day after it is sent, or, if it is given by mail, seven (7) days after it is sent by first-class mail, postage prepaid. Such notice shall state the place, date, time and proposed duration of the meeting.

A valid meeting may be scheduled and held on shortened notice if a shorter notice is approved in writing or by electronic message by all Regular Directors, or if all Regular Directors attend the meeting.

A meeting may extend beyond the proposed duration stated in the notice only if such extension is approved by all Regular Directors and Alternate Directors present at the meeting.

SECTION 4.16 AGENDA REQUIREMENTS, MEETING POSTPONEMENT

The notice required by Section 4.15 shall also state all agenda items known at the time the notice is given. Additional agenda items may be added up to twenty-four (24) hours' prior to the time of the meeting. A matter not on the agenda may be taken up at a meeting provided that at least half, plus one, of the Regular Directors or Alternate Directors present at the meeting determine that such matter is of an urgent nature and approve placing the matter on the agenda.

However, no action may be taken or motion passed at any meeting, if the adoption of the action or passage of the motion requires more than the affirmative vote of a majority of individuals authorized to serve on the Executive Committee, unless the subject matter of the proposed action or motion was generally stated on an agenda delivered at least seven (7) days prior to the meeting, or unless each Regular Director who is not present at the meeting has agreed prior to the meeting that the action or motion may be considered and passed. Further, even if seven (7) days notice was given, the Executive Committee shall (on a "one time" basis) postpone consideration of any action or motion for at least seven (7) additional days, upon the written request received prior to the meeting from any Regular Director who is unable to be present at the noticed meeting when such matter was to be first considered, and who is also unable to send to the meeting a suitable nominee as Alternate Director.

Nothing in this Section shall apply to the appointment of Alternate Directors.

SECTION 4.17 QUORUM FOR MEETINGS

A quorum shall consist of fifty (50) percent of the number of individuals authorized to serve on the Executive Committee as Regular Directors, plus one additional Regular Director. However, an Alternate Director who is appointed for a particular meeting shall be counted as a Regular Director in determining whether a quorum exists for that particular meeting. Accordingly, for example, so long as the Executive Committee is composed of twelve Regular Directors, the quorum is seven, where the seven may be comprised of either or both Regular Directors or Alternate Directors present at a meeting in person or as provided by Section 4.21.

SECTION 4.18 EXECUTIVE COMMITTEE ACTION

Every motion, act or decision passed, done or made by the affirmative vote of Regular Directors and Alternate Directors in attendance at a meeting, if the number of affirmative votes equals or exceeds two-thirds (2/3) of the number of Regular Directors and Alternate Directors in attendance, is the motion, act or decision of the Executive Committee, unless Section 4.19, another section of these Bylaws, or provisions of law require a greater or different voting percentage or different rules for approval of a matter by the Executive Committee.

SECTION 4.19 REQUIRED VOTING PERCENTAGES

Except as otherwise provided in Section 3.2, the following voting percentages shall be required for any motion, act or decision to be a valid motion, act, or decision of the Executive Committee:

SECTION 4.22 EXECUTIVE COMMITTEE ACTION WITHOUT MEETING

Any action that the Executive Committee is required or permitted to take may be taken without a meeting if all Regular Directors on the Executive Committee consent in writing or by electronic message to that action. Such action by written consent shall have the same force and effect as any other validly approved action of the Executive Committee. All consents shall be filed with the minutes of the proceedings of the Executive Committee.

They shall maintain all Confidential Information which is provided to them, and all notes of information obtained, with the same safeguards they accord their own confidential and proprietary information. Regular Directors and

Alternate Directors shall not use any Confidential Information, directly or indirectly, for their own benefit, the benefit of their own company, or for the benefit of any person, firm or corporation other than GOED.
